

12th March 2021

Dear Parents and Carers,

It has been great to have every pupil a school this week. Everyone is well.

All the pupils have enjoyed The Living Eggs and our hatched chicks are thriving. They will be with us a few more days next week before returning to a free-range life on the farm. Don't forget to check our website to see the latest photos.

Key Stage 3 pupils have been taking lateral flow tests at school if parents have requested this. Pupils in KS3 will move to home testing next week and kits will be sent home on Monday. Rian will be in touch to invite you to a short training session to show you how to register test results with us and with the NHS.

We are really pleased to let you know we have two parent governors. A big thank you to Soulaf and Redouane. I'll let you know when there is more information about our new Local Governing Body on our website. If you have any questions, comments or suggestions for Soulaf and Redouane you can speak to them when you see them at the start or end of the day or you can leave them a message at the school office.

Friday March 19th is Red Nose Day. We will be raising money for Red Nose Day with our raffle for the amazing Toy Car.

Your raffle tickets are attached to this letter and you can send any donation you would like to make into school any day next week to the office. We will be having a Special Red Nose Day Dessert for Friday lunch too.

Have a lovely weekend, Steph

Best wishes
