

3rd February 2023

Dear parents and carers,

Circus Sensible

We had a brilliant time when the circus visited last week. We have some very talented pupils.

Ranger Stu

We had some very special visitors yesterday. All the students did so well and really enjoyed meeting them.

Thankyou

Thank you all for your patience on Wednesday. We managed to minimise the disruption to classes and to support our teachers.

Parent training

If you missed the Zones of Regulation training or need more information do give Erin a call. Please do join Rian next Thursday for Internet Safety. Come along if you need help setting filters and permission on your devices. Bring them in and we will do this with you. Our pupils need high levels of supervision online.

Thursday 9th February 9.45 - Internet Safety with Rian

Half term

A quick reminder next week is the last week of this half term. School finishes next Friday at the usual time. Everyone will return on Monday February 20th.

Have a very nice weekend.

Yours Sincerely,

A handwritten signature in black ink that reads "Steph Lea".

Steph Lea
Executive Headteacher
