

4th February 2022

Dear Parents and Carers,

Number Day 2022

All the pupils took part in special maths activities today to take part in the NSPCC's awareness raising event. If you want to donate you can use this link: <https://www.nspcc.org.uk/support-us/ways-to-give/donate/>

Children's Mental Health Week – February 7th to February 13th

This year's theme is growing together. Everyone will be considering how they have grown and how to help others grow. Staff and students are invited to 'Dress to Impress' on Thursday to celebrate things that make us feel good.

You can find useful resources for families here: <https://www.childrensmentalhealthweek.org.uk/parents-and-carers/>

Next week we will be focusing on Online Safety. It is Safer Internet Day on Tuesday and we will be sharing a special newsletter with you full of useful resources and links.

The pupils will be learning about online safety in their lessons and in KS3 assembly.

Remember to always supervise any internet access and make sure you have the right filters. Let us know if you need any help and come along to the workshops with Rian and Tennille after half term.

The Local Community Key Stage 3 classes will be starting their visits to the local area next week. Please make sure you sign the permissions slips and send them back to the office.

End of Term Remember school finishes for half term next week. **School closes at the normal time on Thursday February 10th. All pupils return on Monday February 21st.**

Have a lovely weekend,

Yours sincerely,

Steph Lea
Headteacher
