

Spa Camberwell, Southampton Way, SE5 7EW  
A special school for pupils with autism

6<sup>th</sup> May 2022

Dear Parents and Carers,

Our first event for pupils for the summer term is on Monday May 16<sup>th</sup> when pupils will take part in Circus Skills Workshops. We are all looking forward to learning to juggle. We will share lots of photos on the website.

Our owl display will be on May 19<sup>th</sup> and the Dance showcase on May 24<sup>th</sup>.

We will be ending the half term on Friday May 27<sup>th</sup> with a small jubilee celebration. Staff and students can come to school wearing anything red, white or blue if they would like to. Primary parents and carers are welcome to join us from 2.45pm and KS3 families from 3.00pm for some refreshments.

Congratulations to our cook Sandra. She has successfully completed her Chefs in Schools course. It's great to see the students trying different soups each Wednesday and caring for the vegetables and fruits they planted.

I am delighted to introduce the first student council.

Congratulations to Kamron, William N, Esther, Maya, Tiago, Samuel and Albert who were elected by the KS3 students. Please do get in touch with them through the school office if you have any questions for them.

Have a lovely weekend.

Yours sincerely,

*Steph Lea*
