

10th February 2022

Dear Parents and Carers,

Thanks to all of you for making this half term successful for all of our pupils. Children's Mental Health Week has been our focus this week. Everyone has taken opportunities to share what makes them happy and Dress to Express brought us joy and colour.

I hope you found our special newsletter for Safer Internet Day useful. Remember to check out our workshops below.

Your child's Personal Learning Plan achievements and a celebration photo of their learning is included with my letter today. We are proud of how much each student has achieved.

Remember to come along to our workshops below. Please call the office to let them know you will be coming.
