

13th January 2023

Dear Parents and Carers,

Community Learning

Our library trips went well this week. 3L and the year 6 pupils enjoyed swimming at Crystal Palace. We will be adding more swimming sessions once they are available at the pool and will make sure other classes in KS3 have a chance to attend.

Beth and Rian will be coordinating community learning activities for all classes and will be writing to you soon. They will send you letters to explain the details of each activity, with exact dates and time and a permission slip for you to return.

Parent / Carer workshops

This term we are offering the following training sessions. Please call the office to let us know if you would like to attend.

Tuesday 17th January 9.45 - Autism and Language Processing with Rachel

Thursday 26th January 9.45 - Using Communication Boards with Beth

Tuesday 31st January 2pm - Zones of Regulation with Erin

Thursday 9th February 9.45 - Internet Safety with Rian

Immunisations

The school nursing team will be with us on Monday to provide immunisations for those of you have given consent. The vaccinations are for year 9 pupils whose parent / carer would like them to have the HPV immunisation or the Teenage booster. Do give us a call if you have any questions.

Have a restful weekend,

A handwritten signature in black ink that reads "Steph Lea".
