

15th July 2022

Dear Parents and Carers,

Thank you for all your feedback at the parent / teacher meetings. It was so good to have so many of you join us. If you still need to meet your child's teacher, please call the office to make a time.

Hot Weather Preparations

The weather for London for Monday and Tuesday next week is forecast to be 35 – 38 degrees, which is extremely hot.

We have protocols at the school to try to help pupils stay safe in extremely hot weather. We will be keeping pupils inside as much as possible, reducing physical activity, providing ice and water spray to pupils who want these, and regularly prompting pupils to drink water to stay hydrated.

We have fans in the classrooms but not air conditioning. The rooms become extremely hot. **If you think your child will struggle with this and would like to keep them at home on Monday and Tuesday just let us know.** Otherwise please ensure they are dressed in light clothes.

Term Dates

Last Day of Term: Thursday July 21st at 2pm

First Day of Term: Monday September 5th

Information for Families

Harriet joined us as our lead administrator for Family Links. She has already met with lots of you for advice and support. She has put together a useful list of activities for the summer break. It's also on our website.

Please take care in the heat over the weekend.

Yours sincerely,

A handwritten signature in black ink that reads "Steph Lea".

Steph Lea
Headteacher
