

18th June 2021

Dear Parents and Carers,

Thanks to all of you who joined us for afternoon tea. We hope you enjoyed yourselves. And a special thank you to the students on work experience from The Park College for their excellent catering and hosting of the event.

Our pupils have managed very well in the hot weather. They have been learning to take some shade and were encouraged by their ice lollies on Monday.

We are thinking about the best way to hold our Summer Carnival and will keep you updated on our plans. All the staff and pupils have begun practising our whole school performance of Lovely Day this week and it's beginning to sound good.

This week we welcomed parents and carers of the new pupils who will be joining us in September. They were very impressed by what they saw. Key Stage 3 pupils should be very proud of themselves – they demonstrated how calm and collected they are as they moved around the building to their lessons.

Have a lovely weekend,

Steph Lea
