

18th November 2022

Dear Parents and Carers,

REACH Out

We have been focusing on anti-bullying week this week. KS2 and KS3 learned how to reach out to others in their assemblies. 2

Children in Need

We had fun dressing up and so glad Pudsey joined us again. We didn't ask for donations this year as times are difficult for so many. A huge thankyou to those of you who donated anyway. Your kindness and thoughtfulness is much appreciated. We will be collecting for the Foodbank in December as usual.

Parent Workshops

KS3 families are invited to meet Siobhan the speech and language therapist on Monday November 21st at 10.30am.

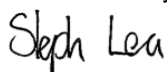

Our behaviour workshop was really successful this week for the KS1 classes. Parents / carers in KS2 are welcome to join Rachel on Tuesday November 22nd at 9.45am for Behaviour and Autism training.

Developing Self-care KS1 families can join Shannen our Occupational Therapist on Wednesday 23rd November at 2.30pm for a training session.

KS1 Coffee Morning KS1 families are welcome to come along and meet together for coffee and a chat with Harriet on Thursday November 24th at 10.30am

Have a great weekend.

Yours sincerely,

A handwritten signature in black ink that reads "Steph Lea".

Steph Lea
Executive Headteacher
