

23rd September 2022

Dear Parents and Carers,

I hope you are all keeping well. We've had another busy week with the photographer visiting. We'll send photos home once they are ready.

I'm very proud of our school community - our school surveys show how pleased so many of you are with the school. We are always looking for ways to offer support and training and there are some meetings listed below that may be of interest. Please do complete the family training survey attached to let me know the kind of sessions you are most interested in. We'll add them to the diary. You are also always welcome to speak with any questions or queries as they come along.

Pupil Progress Information Meeting

Do come and join Rian and Erin on Tuesday at 2.30pm to find out more about how we record and share pupil progress. We know all our pupils make very good progress each year and are hoping to share more Learning Records from our assessment system with you later this term.

Meet the Occupational Therapist

Come and meet Shannen, our new Occupational Therapist. She will be happy to tell you about her work with the pupils across the school and to answer any questions you may have.

Key Stage 1 Meet the OT: Wednesday October 5th at 2.15pm

Key Stage 2 Meet the OT: Wednesday October 12th at 2.15pm

Key Stage 3 Meet the OT: Wednesday October 19th at 2.15pm

Reading at Home

Please find time to read each day with your child and let us know how things are going in the home / school diary. All pupils will bring books home each Monday and they will be changed every Thursday. Do let us know if books need changing more frequently.

Flu Vaccines

A letter from the school immunisation team was sent home earlier this week. The nurses are due to visit us on October 3rd and 10th so do complete the online consent form if you want to.

As always, do give me a call if you have any questions.

Have a lovely weekend.

Yours sincerely,

A handwritten signature in black ink that reads "Steph Lea".

Steph Lea
Executive Headteacher
