

24th June 2022

Dear Parents and Carers,

There are now just four weeks left of the summer term.

Teachers have been working to finalise the annual reports for each pupil. These will be coming home the week beginning July 4th. Please let us know if you want more than one copy or require a translation.

Rian and Tennille will be inviting you to meet them for an assessment meeting to share information on how we measure progress. Please complete attached if you would like to attend.

I'm pleased to introduce Harriet, our new Family Support Administrator. She joined us today and is looking forward to getting to know you all. Do give her a call if you need anything.

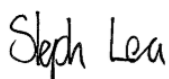

Don't Face It Alone Campaign

Youth charity, The Diana Award is running Don't Face It Alone, an anti-bullying campaign encouraging young people and us all to #SpeakOutAboutBullying.

The campaign launched on Wednesday 22nd June and encourages young people not to suffer alone from bullying and instead to speak out and report it, whether it is taking place online or offline. The campaign aims to get the nation talking about bullying and the positive steps that can be taken to prevent it. Find out more at the [Don't Face it Alone website](#). And do join us for parent / carer workshops to find out more about how we teach pupils about friendship and anti-bullying at Spa Camberwell.

Have a lovely weekend.

Yours sincerely,
