

25<sup>th</sup> March 2022

Dear Parents and Carers,

Next week is the last week of the Spring term. We will be sharing an update on your child's progress with you through their updated Personal Learning Plan.

We will also celebrate Autism Awareness week with the pupils over the course of next week - sharing materials and activities to help them understand more about themselves and autism. We have shared a range of useful books with The Centre for Literacy in Primary Education and each child will be bringing a book from the list home.

Priyanka will be running her training session on Monday. The training is on using schedules at home and is at the following times:

- **Secondary Classes - Monday March 28<sup>th</sup> at 9.15am**
- **Primary Classes - Monday March 28<sup>th</sup> at 2.15pm**

The final total for our Red Nose Day collection was £135. Thanks again to everyone who donated.

There is still time to bring in your surveys and reply slips if you are interested in seeing examples of your child's learning through our online assessment system. Access will allow you to see photographs and examples of their practical learning. Fill in the slip below and return it to the office if you still want to. And do let me, Rian or Tennille know if you have any questions.

**The summer term starts for all children on Wednesday April 20<sup>th</sup>**

Have a lovely weekend.

Yours sincerely,

A handwritten signature in black ink that reads "Steph Lea".

Steph Lea  
Headteacher
