

26th November 2021

Dear Parents and Carers,

COVID Amber Measures

Thank you for your support this week. Our amber measures are working well and there have been no more positive test results since Monday. Our amber measures include Staff briefing and training sessions will be either virtual or in key stage bubbles

- As far as possible staff will not move between key stage bubbles
- Increased surface cleaning in all areas
- Supporting pupils with social distancing if possible and increased hand washing
- Rescheduling parent training sessions
- Reducing visitors to the school.

As always, we will notify you if any staff or pupils in your child's class test positive. Please help us keep the Spa Camberwell community safe by only sending your child to school when they are well and symptom-free.

Amber measures will remain in place until at least Monday December 6th. Once we are back to green we will let you know the new dates for the

- Autism and behaviour workshop for Brenchley and Rye classes
- PECS stage 1 and 2 workshop with Priyanka for parents who have already received the letter.
