

29th April 2022

Dear Parents and Carers,

Just a quick reminder that school is closed on Monday 2nd May for the Bank Holiday weekend. We will see you all next Tuesday 3rd May at the usual time.

Is TikTok safe for children?

A recent report by Ofcom highlighted that just over half of all 3-17-year-olds are using TikTok. Over the last few months, you may have seen reports in the press about young people coming across inappropriate and harmful content on the platform. The NSPCC have put together a guide to help understand the risks, and give an overview of some of the safety settings that might help to keep children safer on the app. The guide that you may find useful can be accessed on our website here: <https://spa-education.org/spa-school-camberwell/parents-c/online-safety>

Arrival and collection times

Thanks to all of you for managing the new arrangements for primary arrival and collection times. It is really important we all work together to make sure everyone is always as safe as possible. In the mornings please take your child to the designated spot for their class. A member of the class team will take them through once the pathway is clear. Please wait at the same place when you collect your child. A member of staff will bring them to you once the path is clear.

School buses

I'm sorry things were so difficult for you at the start of the week. Do make sure transport have any updated numbers and always let us know if there is anything we can do to help.

Sunscreen

Please do send in sunscreen if you have completed the consent form. It will be labelled and kept securely for your child.
