A special school for pupils with autism

8<sup>th</sup> December 2022

Dear parent and carers,

The school nursing team will be with us on Tuesday 13<sup>th</sup> December to provide flu immunisations for secondary pupils. It is a nasal spray not an injection. School staff will support pupils who meet with the nurses.

Please follow the link to let the nursing team know if you **do** or **do not** want your child to have the nasal spray.

The nursing team have informed us the link will expire at midnight on Friday. As always give us a call if you have any questions.

Yours sincerely,
