SPA SCHOOL CAMBERWELL

Local Governors

Spa Education Trust has a clear structure of governance. This starts with our members and Board of Trustees who are accountable for the trust. At school level, each school has a Local Governing Body to support and complement the members and trustees in the fulfilment of their duties.

The Local Governing Body has a Chair plus other members voted in or appointed via the Local Governing Body. A typical Local Governing Body will have around six members including the Head of School and will meet three times a year.

These meetings are primarily focused on ensuring the delivery of the School Development Plan and driving up the performance of the school. Local Governors are also kept informed of wider issues including finances. We believe that the Local Governing Body performs a key role in ensuring that our schools are providing the best possible education for our pupils.

Spa School Camberwell
