

11th October 2021

Dear parents and carers,

At Spa Camberwell we know how important it is to keep our pupils safe online, and the vital role you all play in helping teach our children skills they need to safely navigate the digital world – whether that's social-media, apps, or gaming.

Online harms can affect any young person in any family, and we as a school are committed to helping you access support, advice, and resources.

To coincide with Digital Parenting Week (11th-15th October) all our families can access a year of free support through the new Parent Zone Local programme.

This programme – which is being funded in our borough by Southwark Council – is open to all parents / carers / guardians who either live in the borough or have a child attending school or college locally. The programme will offer those who sign up access to:

- A range of online workshops and webinars, covering different aspects of online safety and digital-resilience
- A selection of parent guides and tech tips, which will be updated regularly
- Online surveys, games, quizzes and child-friendly activities
- Access to the Resilient Families online training-course of parents
- Access to a personalised 'help service', where a team of experts will provide you with advice and support on any aspect of digital family-life

To access Parent Zone Local programme, and this wide range of free support, please visit their website: pzlocal.org.uk

To learn more about the programme and the support available – as well as to learn about how the digital-resilience agenda can support you and your family to stay safe online – please visit the 'Events' tab of the website to book a place on one of the introductory webinars, which are taking place every day from Tuesday 12th - Saturday 16th October.

We are pleased to support this programme and hope many of you will benefit.

Remember we are offering Online Safety workshops here at school this week.

Thursday October 14th @ 2.15 for Primary Parents / Carers

Friday October 15th @ 2.30 for KS3 Parents / Carers.

Yours sincerely,

Steph
