Dear Parents and Carers

### **Autism Accreditation**

We are very excited to be working with the National Autistic Society this year. The National Autistic Society will be reviewing the bespoke, autism specific, provision that we provide here at Spa Bermondsey. We are working towards achieving their Autism Specialist Award. As part of this process, your feedback is essential. You will have received a text message with a link to the parent and carer survey that the NAS has written. We are asking all families to complete this survey. The results will help the NAS review the quality of our provision and the impact it has on young people as well as helping us to shape our provision.

You can find the survey here <https://forms.office.com/e/eng6VVX7pr>

*This letter will be saved on our website to allow you to click the link*

We shall be holding a coffee morning on Wednesday 4<sup>th</sup> June at 2pm for anyone who would like support to complete this survey. You can also find out more about the process. We are looking for families who are interested in being part of the focus group that meets remotely with the National Autistic Society assessors on Wednesday 17<sup>th</sup> June. If this is something you are interested in being part of, please let Shervinia, our family liaison worker know.

We shall feedback the results of our accreditation in July.

Kind regards,
