

To parents and carers of pupils at Spa School

17<sup>th</sup> December 2020

Dear Parents and Carers

### **End of Term Letter**

I hope you and your family are safe and well. It has been a challenging year for everyone and I'm very proud with how well our pupils have managed.

Please find attached a letter from Southwark's Director of Education with information about when and how to get tested for COVID-19 if necessary over the Christmas break.

If your child develops COVID-19 symptoms this Saturday or Sunday (new cough, high temperature, or loss or change in taste or smell) you will need to tell the school as well as getting a test. You can either leave a message on our answering service on the usual school number (020 7237 3714), or email us on [office@spa-education.org](mailto:office@spa-education.org).

If you need support in the holidays you can leave a message with our answering service and Georgina or I will return your call. Other numbers that you can call in a crisis are:

- Children with Disabilities Social Work Team: 020 7525 1921
- Southwark Council: 020 7525 5000

The first day of Spring term for pupils will be **Tuesday 5<sup>th</sup> January**. In the meantime we wish you happiness over this festive period.

Very best wishes
