

In 2021-22 we received £46,916 for pupil premium for 49 disadvantaged pupils. We have also received a further £14,138 in pupil premium recovery funding.

We used this money to employ staff and therapists to give additional support to eligible pupils; each pupil benefited from time from at least one of these.

These included:

- Occupational Therapists £25,080
- Art Therapist £9,500
- Dyslexia Teacher £13,702
- Yoga / Mindfulness Teacher £11,400
- Dance Teacher £9,120
- Job Skills Coach £24,705

Additional funds came from the school budget.

Our end-of-year pupil progress data showed no meaningful gap between the progress of disadvantaged pupils and other pupils.
