

Spa Bermondsey Newsletter

Welcome to our monthly newsletter, keeping you up to date on all the events and activities at Spa Bermondsey.

This is the time of year when time seems to go at its fastest. Classes are busy preparing for their summer trips, we have had two different careers groups speak with pupils in KS4 and 5 and of course we've got the Summer Fair just around the corner! And we've finally had some lovely weather.

This month we've had lots of activities with a focus on careers. *Scope* have provided work shops and 1:1 advice sessions for pupils in KS4 and 5 while *Talk the Talk* have provided careers sessions on body language and making a good first impression to pupils in KS4. Feedback from all sessions has been very positive.

Linked to their work in Humanities, KS3 pupils all got to meet a London Taxi Driver. They were able to sit in the cab of the taxi, learn how the meter works and get a feel for being behind the wheel. Pupils asked lots of interesting questions and really enjoyed the experience

Careers assemblies

We have had a series of careers assemblies this month. Our speakers have included project managers, the social media manager for Millwall FC, a data scientist, a puppeteer, a museum curator and a highway engineer. Our speakers have really enjoyed coming onsite and pupils have been prepared with lots of questions to ask. The assemblies include information about skills and interests that led a person to their chosen field, tips to get into a similar industry and what they did at school to help them prepare for their current job.
