Spa Bermondsey Newsletter

It's been another busy month and despite the two bank holidays in May, we were able to pack a lot in!

Some of our Key Stage 5 pupils sat their Functional Skills exams and we were so proud of their commitment, dedication and focus. All pupils leave Spa with accreditation and those who did not sit exams will have coursework submitted to ASDAN.

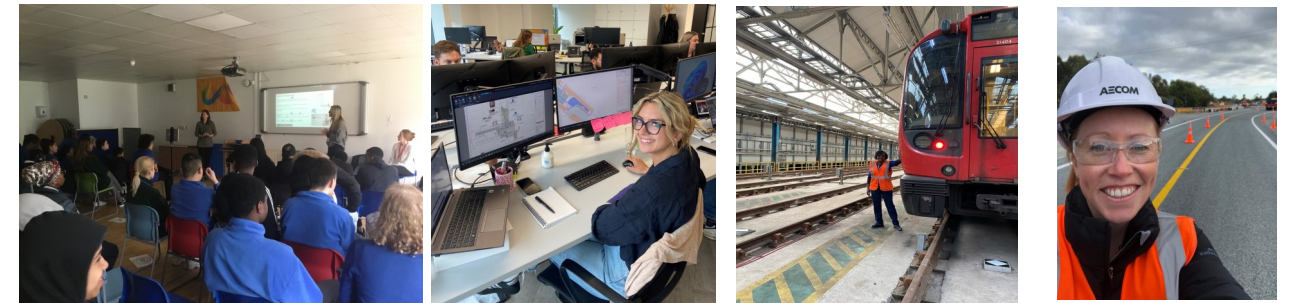

Our Pupil Reunion was held on the evening of May 24th. We had 30 pupils and their families attend our evening barbeque. It was lovely to see so many happy faces and to hear tales of college, employment and new experiences. We hold our pupil reunion each summer for former pupils and staff.

We are now looking ahead to welcoming our new pupils in September. Our Year 6 transition program begins this month and we have been busy visiting our new pupils in their current schools.

Careers Assemblies

We have been so pleased with the success of our careers assemblies this month. So far we have had civil engineers, a journalist for the Sun, a tube driver on the Hammersmith and City and a stuntwoman! Our speakers have shared what they enjoy about their roles, how they first became interested and the skills and hobbies they use in their day to day work. Pupils have prepared questions in advance to ask our speakers and all have been really well received. We will continue with our assembly program until the end of June.

Coronation Street Party

On Friday 5th May we celebrated the coronation of King Charles III with a special themed lunch and an afternoon street party. We had crown making, face painting, street dancing and bubble making as well as a fresh popcorn stand. The weather was lovely and pupils really enjoyed the event.
