

## **Student Council meeting – Wednesday, 14 March 2025**

### **Minutes**

Present: Tiago, Libby, Maya, Samuel, Gift, Ahmed, Aboode

1. Steph Lea – Executive Headteacher

- Steph announced the extension of the dining hall. She showed the student council the architects' blueprints. She asked the members for ideas and preferences from the students point of view. The council discussed this and came up with a number of suggestions. It was agreed that one member of the council would draft a letter with our suggestions which will then be sent to Steph.

2. Save Energy Project

- Rian showed the student council a draft of a presentation we will present to all Key Stage 2 and secondary classes to introduce them to the competition. The student council suggested some changes for the presentation. The council decided unanimously that the prize money would be a total of £20.

3. House Points

- After some discussion, it was decided that House Points may prove polarising for many students who are still learning to accept what they don't like and not always winning. The student council will consider implementing house points some time in the future.

4. Sports Day and Carnival

- We discussed the activities and stalls we would like to see at Sports Day and Carnival. The students council agreed that the current formats for these special occasions are successful and should be continued. No further discussion.

5. Any other business.

- There was no other business.

Date for next meeting: Wednesday, 7 May 2025
