

**The student council met on 28/03/25 at 1:15-2:15 and discussed the following agenda:**

### **School lunch:**

The current lunch menu has been discussed, and the student council members have shared some very positive feedback about the school lunches. As requested by SMT, the student council also voted for next term's cake option. The following suggestions have been made for our next lunch menu:

- The student council asked for pizza to come back to the menu but would prefer it with pizza dough rather than pitta bread.
- The student council shared positive feedback for the veggie burger and would like for that to continue.
- The student council would prefer normal chips to wedges.
- 5B suggested to have vegan nuggets in the shape of dinosaurs!
- The reps were asked to vote for next term's cake. The options were: banana cake, carrot cake, lime and courgette cake. 5F rep also asked for apple strudel to be added in the options. Carrot cake and apple strudel got the most votes (5 votes each).

### **Playground**

The students discussed the playground and were presented with choices of different toys and activities that can be purchased. The feedback was the following:

- The reps would like to have more chickens as we currently only have 1 left. Alternatively, students would like to have rabbits or guinea pigs.
- The reps agreed to purchase a giant connect 4 and a giant jenga for the playground. They also agreed to purchase 2 target games.
- The reps would like to have a sandpit in the playground.
- 5F and 5B reps have brought to our attention that the shelter in the playground might need some fixing, especially the roof.

### **Special interests**

The student reps have requested for more special interest groups. The following suggestions have been made:

- Play making (theatre)
- Robotics
- Science
- Modelling

- Lego club
- Woodwork
- Baking
- Comic making

### **Happiness in Spa school**

All reps have shared that students are happy in Spa school. Some suggestions were made to further improve well-being:

- The reps would also like to have a therapy dog.

The reps have started discussing the summer trips. They made the following suggestions:

- London transport museum
- Science museum
- Aquarium
- DLR rides
- Farm
- London zoo
- Funfairs
- Bike park
- Bowling
- Cinema
