# Squidz Club!

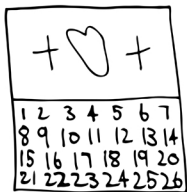

Time to get some energy!

Squidz Club is back, and this time it's in person! Six different zones where you can dance to club bangers, create colourful artwork, go live on the radio, take part in open mic plus see some special performances. This is a club for everyone to have fun and have a good time!

There will also be a space for you to take part online if you can't make it to the club.

Squidz Club is club for young people with learning disabilities and autistic people aged 10-25, their friends and families
