

Student Council meeting – Wednesday, 7 May 2025

Minutes

Present: Tiago, Libby, Maya, Samuel, Gift, Ahmed

Absent: Aboode

1. Save Energy Project

- The council studied all entries from both primary and secondary school classes.
- They created a shortlist based on clarity of the message of the poster and use of colour.
- There was some discussion as two posters stood out and it was very hard to decide which one to choose. Tiago suggested that we could have two winners. The council agreed unanimously.
- It was put to the vote, and 4A and Burgess class emerged as the winners. Congratulations to Raphael from 4A and Burgess for a group effort.

2. Student council assembly

- Tiago asked to lead a secondary school assembly on behalf of the school council.
- Everyone was in agreement that this was a good idea as the school council have not led an assembly for a while.
- Tiago said that the topic would be Political Spectrums. He said he would share the slideshow with Rian before the assembly. Everyone was happy for Tiago to take the lead on this and offered their support if needed.

3. Fruit distribution

- It was agreed that 4W are doing a good job.
- A new survey may be needed as some classes don't seem to get enough fruit.

4. Any other business

- A question was asked about the cottage in the secondary playground. If it could be used as a café. Rian explained that it would be hard as there is no plumbing or electricity in the building itself. The student will revisit this suggestion at a late date.

Date for next meeting: Tuesday, 20 May at 13:30.
