

# Primary Home Learning Newsletter

## DEAR PRIMARY FAMILIES

We have come to our last week of home learning. We are looking forward to seeing everybody back in school on Monday. I hope you have found some of the activities in the newsletter helpful and fun! There is a bit of a rainbow theme in this newsletter. How many rainbows can you make this week? – Tennille

### Art

Watch the video and make your own collage inspired by art in the Tate Modern gallery.

### Social Story

Going back to School

On Monday I will go into school. My teachers and friends will be there. Children will be working in the classroom. Children will be playing in the playground. Children will be eating lunch in the dining hall. At 3 o'clock the children will go home. If I am feeling worried I can ask an adult for help. Everyone will be happy to see me at school on Monday.

Find something with a strong and pleasant

     
smell like lavender or orange peel. Place it

      
close to your nose. Try to concentrate on

 **1**   
the smell for one minute.
