

Primary Home Learning Newsletter

DEAR PRIMARY FAMILIES

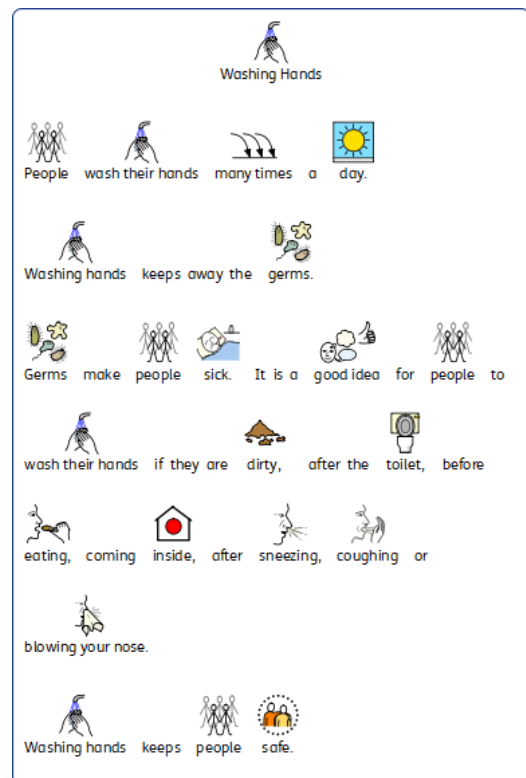

It was lovely to speak to you all and I was glad to hear about the learning the children have been doing at home. Last week was very wet, so this week we have some suggestions for some rainy day activities. Some children at school will be doing the Movement Works online classes. The links to the Zoom classes are below. We'd love you to join us. – Tennille

Story Time

Watch Rosie read "A Hungry Little Caterpillar".

Social Story

Washing Hands

People wash their hands many times a day.

Washing hands keeps away the germs.

Germs make people sick. It is a good idea for people to

wash their hands if they are dirty, after the toilet, before

eating, coming inside, after sneezing, coughing or

blowing your nose.

Washing hands keeps people safe.

Theatre

Outdoor Play

With all the rain we had last week it provided great inspiration for dam building. The link below explains how you can do the activity indoors or outdoors.

BBC Bitesize

Check out this art lesson based around the character Pablo, who has autism. It is all about emotions and facial expressions.

Music

Southwark Listening Project have sent a link to jazz activity. Children click or clap a steady pulse then add a word rhythm. Lyrics and music for the jazz song 'Slick City Spats' are introduced. Viewers can listen to, and repeat back, the vocals. Students can then watch a 'Slick City Cats' animation of the song & join in

<https://www.bbc.co.uk/bitesize/clips/zbv87ty>

The song we recommend which also has a really fun riff is '**Rain Coming Down**' (also has body percussion which goes with it) https://youtu.be/f45WxGI_hUE
