

Year 4 Long Term Plan

2020 - 2021

	Autumn Term 1: Rotten Romans	Autumn Term 2: Vicious Vikings	Spring Term 1: There's No Place Like Home – UK Independence 2019	Spring Term 2: Australia	Summer Term 1: Chocolate	Summer Term 2: Healthy Me
	In History we will look at how the Romans changed life in Britain.	Through research from primary and secondary resources we will decide how vicious the Vikings were.	In Geography we will study what the term 'home' means from local to global.	In Geography we will study life in a different environment.	In art and DT we aim to design and create our own chocolate bars.	Through science and P.E. we will explore how to stay healthy.
English	Non-Chronological Report Explanation Newspaper report	Stories with issues and dilemmas Author study Poems on a theme	Information texts Debate / Discussion Persuasive letters	Non-Chronological Report Description Narrative – aboard the prison ships	Fantasy/imaginary world stories Film study and play script Poetry	Healthy person study / biography Instructions Persuasive posters
Maths	Place Value Decimals and fractions Addition and Subtraction Angles and symmetry Time	Mental multiplication Mental division Written multiplication Measures, lengths including perimeter Statistics	Place Value Fractions Written and mental division Position and direction Area Addition and subtraction	Multiplication and division Place value Shape and position Statistics	Counting and sequencing Decimals and fractions Division Measures Shape and area Multiplication Time	Place Value Statistics Addition and subtraction Multiplication and division Shape
Science	Sound		Electricity	Living things and habitats	Properties of Materials	Animals including humans
