

Community Primary School

Year 5 Long Term Plan 2020 -2021

	Autumn Term 1: Groovy Greeks	Autumn Term 2: A World at War	Spring Term 1: The Mighty Earth – Italy, Pompeii	Spring Term 2: Great Explorations: Alaska	Summer Term 1: At the Movies	Summer Term 2: The Wonderful World of Walt Disney
	In History we will look at how the Ancient Greeks have impacted our lives.	Through research from primary and secondary resources we will learn about WW1.	In Geography we will study volcanoes and earthquakes.	In Geography we will study life in a different environment.	By creating our own animations we will explore what it is like to create movies.	In Art we aim to combine sketching and digital art.
English	Fantasy Stories Comic Strips Explanation Texts	Stories with Historical Setting Persuasive Letters Poetry	Reports Poetry	Suspense/ Action Stories Book Adverts Biography	Mystery Stories Film Study Poetry	Discussion Text Auto/Biography Job Descriptions
Maths	Place Value Decimals Addition and Subtraction Angles Perimeter Statistics	Multiplication and Division Fractions Area Statistics Time	Roman Numerals Negative Numbers Addition and Subtraction Mental Calculation Measure Position and Direction Angles	Division 2D and 3D Shapes Calculating Fractions Measure Statistics	Place Value Fractions Measure Statistics Geometry All Four Operations	Place Value Written Calculations Fractions Measure Area and Volume
Science	Earth and Space	Forces and Magnets	Changing Materials	Properties of Materials	Animals including humans	Living things and habitats
