1st time logging onto MCAS

Click on link sent in the email invitation.

You will then be able to enter your username (in the email) and create your own password.

Once you have created your account, you can then set up your MCaS app using the same details.

School ID needs to be entered first – 12519

Then your username and password.

The MCaS app will enable you to book your child's meal options, breakfast club, after school club, sporting clubs, pay for school lunches, school visits, see your child's attendance, update your contact details and much more. **All school communication will also be sent to the app.**
