

## Home Learning Ideas FS2

### Useful websites

<https://www.topmarks.co.uk/> Search by subject or age group. Maths games are particularly good.

<https://www.phonicsplay.co.uk/> Free games available or sign up for a free trial. Most children will be able to access phase 2, 3 and 4 games.

<http://www.letters-and-sounds.com/>

<http://www.crickweb.co.uk/Early-Years.html>

<https://www.bbc.co.uk/cbeebies> Lots of problem solving games available as well as alphablocks and number blocks episodes. Andy's dinosaur adventures are also great for our current theme; Dinosaur Planet

<https://www.bbc.co.uk/cbeebies/topics/dinosaurs> Lots of fun craft and creative ideas around our dinosaur topic.

<https://www.activelearnprimary.co.uk/> Read the books assigned and complete the activities. . As they read the books online, remind them to click on the bug icon to complete the questions. Username first 4 characters of first name first 4 characters of second name. Password : bugclub

<https://www.twinkl.co.uk/resource/eyfs-school-closure-home-learning-resource-pack-t-tp-2549362> download and print a free home learning pack.

### Maths ideas

Write numbers to 20 in different ways! Use felt tips, chalk outside, paint, collage, anything!

Add groups of objects (to 20) by counting one group, counting the other group, then counting all. Make up your own addition number stories. E.g. There are 3 frogs in the pond, one more hops in. Now there are 4 etc...

Count forwards and backwards out loud to 20

Count in 2s to 20

Count in 10s to 100.

Subtract using objects and talk about problems e.g. There are 6 cars in the car park. 3 drive away. How many are left?

Compare lengths, heights, weights and capacities of objects using the language longer, shorter, taller, heavier, lighter, more, less, full, empty, half full etc...

Estimating amounts of objects. Counting to check.

Finding one more and one less of objects to 20.

Look for 2D & 3D shapes in the environment.

### Literacy ideas.

Practise reading and writing words with digraph and trigraph sounds sh, ch, th, ng, ai, ee, or, qu, oa, oo, ar, oi, ur, ow and igh.

Practise reading and writing tricky words I, the, no, go, to, into, he, she, we, me, be, my, you, are, her, are, they and said

Practise writing sentences using finger spaces, capital letters and full stops.

Practise letter formation for lowercase and uppercase letters.

Topic work: Dinosaur Planet

Find out some facts about your favourite dinosaur

Find out the meaning of the words carnivore and herbivore. Which dinosaurs were which?

Watch Andy's Dinosaur adventures on iplayer. Tell a family member what you found out from the episode.

Share any dinosaur related books you might have at home with an adult or sibling.
