INFLUENZA Immunisation Programme

(October – December)

If your child attends Primary School, they are eligible for the Influenza Immunisation.

Flu is an unpleasant illness and can sometimes cause serious complications.

The immunisation is given as a simple spray up the nose. It is painless and very quick, and side effects are uncommon.

This year we have introduced an online consent form which should take no more than 10 minutes to complete. If you have not already completed this, follow the online instructions at:

www.nelincs.gov.uk/schools-immunisation-consent

If you have any questions email
