Dear parent/carers

As a Trust we have been working tirelessly to ensure the safety of all our children and staff during these unprecedented times.

This week we had a visit from the Health and Safety Executive at one of our academies who reviewed all our Risk Assessments whilst on site. The feedback was overwhelmingly positive and provides the Board of Trustees with the reassurance that our robust risk assessments ensure that we are mitigating the risk of spreading COVID 19 across all our academies.

As a Trust we will continue to review our risk assessments and communicate with parents/carers when there are any changes.

We wanted to share this letter with you to provide you with the reassurance that the Trust is working closely with the appropriate professionals and ensuring the safety of your child/children.

Yours,

Darren Holmes

Chief Executive Officer
