

Home Learning Ideas Y1/2

Useful websites

<https://www.topmarks.co.uk/> Search by subject or age group. Maths games are particularly good.

Daily 10 / Hit the button are particularly good for Y2.

<https://www.phonicsplay.co.uk/> Free games available or sign up for a free trial. Most children will be able to access phase 2, 3 and 4 games.

<https://www.phonicsbloom.com/> Free games available (similar to phonics play)

<http://www.letters-and-sounds.com/> to support phonics learning.

<http://www.ictgames.com> both maths and English games.

<http://www.2simple.com/blog/using-purple-mash-school-closure-update> might be worth a look.

<https://www.bbc.co.uk/bitesize/primary> - there are some good interactive games that could be useful.

<https://www.activelearnprimary.co.uk/> (BUG CLUB) Read the books assigned and complete the activities. . As they read the books online, remind them to click on the bug icon to complete the questions. Don't forget they also have some grammar games that they could complete. Username first 4 characters of first name first 4 characters of second name. Password : see individual passwords (you have already got these)

TT rock stars: children should already have passwords and have all accessed it in class so know how to login and use.

<https://www.twinkl.co.uk/resource/year-2-school-closure-pack-interactive-learning-links-t-e-2549920>

download and print a free home learning pack.

For Y2's – some SAT type questions

STA assessment have all past papers should you want to access them.

For daily practice you can use <https://themumeducates.com/>

Maths ideas

Partition 2d numbers: how many different ways can you partition eg: 36 (30 + 6, 20 + 16, 10 + 26, 0 + 36)
Use felt tips, chalk outside, paint, collage, anything!

Money – can you make different amounts? How many ways can you make 20p? 50p? What is the least amount of coins you can make 35p / £1.40? Make up your own totals.

Play games – dominoes, cards, monopoly, snakes and ladders etc...

Count forwards and backwards in steps of 2,5 and 10's

(Year 2's, times tables - try to begin to learn your 3 times)

Rapid recall of number bonds to 10/20 and associated facts.

Time – practise reading time to o'clock, half past, quarter past / to and to 5 minutes intervals.

Learn the days of the week and months of the year/seasons. Try to know them in their chronological order and any significant dates in our calendar. Can they work out what the fourth month is?

Compare lengths, heights, weights and capacities of objects using the language longer, shorter, taller, heavier, lighter, more, less, full, empty, half full etc... (try to do it in a fun way – baking, craft activities)

Estimating amounts of objects.

Finding one more and one less of objects to 20.

Look for 2D & 3D shapes in the environment.

Literacy ideas.

Keep practising reading and spelling both Y1 and Y2 common exception words and spellings of Phase 3/4/5 and 6 phonics.

Practise writing sentences using a variety of sentences, different sentence openers with clear finger spaces, capital letters and full stops. (and any other appropriate punctuation eg: commas in lists, apostrophes for possession and contraction learnt in school)

Practise letter formation for lowercase and uppercase letters.

Topic work:

Don't forget the ideas on your homework menu.
