Care, Collaboration, Challenge

Friday 31st March 2023

Dear Parent

Thank you for all the support towards our first Easter bingo. It was lovely to see so many families together and having fun! We appreciate that it wasn't perfect, being our first attempt, and will be making a few changes for next time. On the whole, we were really pleased with the night. We raised £698 which we are planning to spend on the children when we celebrate the King's coronation.

Teacher Training Day

Please do not forget that we have a teacher training day on Monday 17th April.

I hope that you have a lovely Easter break and look forward to seeing you back for an exciting summer term. All the staff have been working hard to monitor and improve the curriculum as well as developing the learning environment. We have devoted a lot of time and money into our reading curriculum and specifically, promoting a love of reading!

We have invested in high quality, age appropriate texts for all reading areas within school. This includes all classrooms and two library areas. The children will have access to these books and will be encouraged to read these in school and take them home if they want to.

The children will also share lots of books in class through their literacy or topic work. Some books have been chosen as a class read where all the children read this and study the book together. In these lessons the children will discuss and learn about vocabulary, inference, predicting, explaining, retrieval and summarising.

All children will still continue to bring home their colour banded book and reception/year one children will continue to bring home their phonic book.

Diary Dates

Friday 31st March

Monday 17th March

Tuesday 18th March

End of term – School closes at 3.30pm

Teacher training day – school will be closed

School opens at 9.00am

Yours faithfully

T Storr

Principal
