Dear Parent

As you are aware, I will be retiring at the end of the Autumn term. After a rigorous selection process conducted by the Enquire Learning Trust, the trust and myself are delighted to announce that from January 2023, Mrs. Storr has been appointed as the new Principal of Springfield Primary Academy.

Mrs. Storr has been a member of our senior leadership team for many years and is very much looking forward to taking up her new role. Miss Appleby will remain as Vice Principal. This appointment ensures a smooth transition of leadership.

For those parents whose children are currently in Mrs. Storr's class, we will write again once plans have been put in place for January.

Yours faithfully

*A. Willett*
