Dear Parents

Whole School Cross Country

We had an amazing morning on the 28th February all the children participated and the atmosphere was fantastic. It was great to see all the children cheering each other on and we will now go to the finals with our cross-country team.

Outdoor Area

We are bringing our outdoor learning area back to life! This area is in the corner of the school field and has become very overgrown. We have had the gardeners in to cut it back and have a number of resources on order to bring this area back to life and we are excited to get it up and running as soon as possible.

Springfield Bucket List

At Springfield we value offering life experiences for our children to create lasting memories. We are proud of our curriculum and extra curriculum activities and try to fill it with as many exciting opportunities as possible. We have created Springfield's Bucket List, please see attached link
