Principal: Mr A Willett

**Care, Collaboration, Challenge**Monday 27<sup>th</sup> September 2021

Dear Parent

Mrs. Petres has asked me to pass on this message to everyone at Springfield –

*A big thank you to everyone for your lovely messages, cards and gifts. I'm very grateful for the kindness of so many children and parents. The generosity of families is amazing and I'm so lucky to have received such fantastic gifts.*

*With love and best wishes, Mrs. Petres*

**Settling In**

As we reach the end of September, the vast majority of our children have settled back into school routines and are working well. We will shortly be sending out a parents' evening invitation so that you will be able to discuss face to face how well your child is settling into school.

**PE Lessons**

A number of our children have had their ears pierced during the summer holiday. Children are not allowed to do PE with earrings in. If your child is not able to take their own earrings out, please would you take them out for them on their PE days. A list of PE times can be found on our website - <https://springfieldprimaryacademy.net/parent-information/pe-timetable>

**Update Details**

Please let us know if any of your contact details change. It would also be useful to have an up to date email address.

**Parking**

We've had a complaint from one of our neighbours. One of our parents parked across their driveway whilst picking up, which meant that they were late picking their own child up from school. Please park considerately.

**Lunchboxes**

Since we've returned in September, there have been a number of occasions when children have had sweets or chocolate in their lunchboxes. We do ask that children don't bring sweets into school and this includes for their lunch. I don't want to dictate what you put into your child's lunch box, but as a guide, if it can be found in a supermarket's biscuit aisle it would be fine to include.

Thank you once again for your support.

Yours faithfully

A. Willett
