Monday 6<sup>th</sup> September 2021

Dear Parent

It was lovely to see lots of smiling faces on Friday as the children came into school. We were very impressed at how quickly everyone settled in, especially those that are new to the school. Please keep a check on Class Dojo and the school website for updates on how the children are doing and what they are learning.

We are very conscious that we have a number of parents that have not had an opportunity to come into school, due to the pandemic. Over this term, we'll be looking at opportunities to invite you in so that you can see where your child spends their day.

All year groups will send out a letter this week that will include PE times and homework expectations. Please look out for this.

As always at Springfield, we love to celebrate our children's birthdays. When it is your child's birthday they are able to have their very own 'non-uniform' day. Please remember that they will have a normal school day, so will need to be dressed practically for both work and play. Some of our children like to bring birthday treats into school for their class. This is a lovely thing to do, but at the moment, can I please ask that if you send anything in, that it is individually wrapped, to minimise contact. At present, we are not able to give out birthday cakes.

I would like to remind all parents that at the beginning and end of the school day, children are not allowed to play ball games on the playground or field and are not able to go on either of the trim trails or the tyres. This is for their own safety and the safety of others.

Over the summer, we have had opportunity to complete a number of projects. Both sets of toilets next to the large hall have been refurbished, three KS2 classrooms have been redecorated and Mr Johnson has been very busy painting a number of our corridors. We have also improved the KS1 playground by putting in their very own trim trail.

We look forward to working with you over this coming academic year. Please do not hesitate to get in touch with us if you have any concerns.

Yours faithfully

A. Willett
