

Special Educational Needs and Disabilities (SEND) in NEL

11/01/2021

These Weekly SEND parent/carer newsletters are shared with teams within education, health and social care as well as parents/carers SENCOs, the DfE and local charities.

If you would like to be in the weekly meetings, you are most welcome and can contact clare.linfitt@nelincs.gov.uk for more information.

See this article and more information on SEND in #NEL on the [SEND Local Offer Website](#). Why not add the [SEND Local Offer website](#) to your browser as a favourite or bookmark?

Who can go to school?

Any child with an EHCP, social worker, or a parent who is a key worker can go to school.

[Read the full guidance on who can attend in this Gov.uk article, "Children of critical workers and vulnerable children who can access schools or educational settings".](#)

Children at primary or secondary school with SEN support but without an EHCP or social worker are asked to stay at home and learn remotely at this time.

Queries: If you are unsure please contact the principal at your child's school. You can also submit your questions by email to school@nelincs.gov.uk. Emails can be sent at any time and an Education Officer will get back to you during normal working hours. Alternatively you can complete the [COVID-19: School queries](#) form and someone will get back to them as soon as possible.

COVID and schools: All NE Lincs educational setting are working with our

Childcare bubbles

If you live in a household with anyone aged under 14, you can form a childcare bubble. This allows friends or family from one other household to provide informal childcare.

You must not meet socially with your childcare bubble, and must avoid seeing members of your childcare and support bubbles at the same time.

There is separate guidance for support bubbles and childcare bubbles.

[Read the guidance on childcare bubbles on the Gov.uk website.](#)

Face coverings

Parents/carers and young people have all told us how challenging wearing a mask can be for some.

[Wearing a Mask, a social story](#) provides a visual guide for individuals with autism about wearing a mask to avoid spreading germs.

SENDIASS (Special Educational Needs Disability Information Advice Support Service)

SENDIASS provides free impartial information, advice and support to disabled children and young people aged 0-25, and those with SEN, through their parents and carers. Young people aged 16+ can have support in their own right. The service is open Monday to Thursday, 8.30am-4.30pm and Friday 8am- 4pm. We are working remotely at the moment but we will answer your call within three days if you leave a message or you can email us on nelincs@barnardos.org.uk, or you can also follow us on Facebook, [@NELSENDIASS](#).

If parents have questions, please contact Clare Linfitt clare.linfitt@nelincs.gov.uk or Jennifer Steel on Jennifer.steel@nelincs.gov.uk. We always try to ensure that parents/carers, children, and young people's voices are being heard.

Access Pathway

Access Pathway Panels are continuing as normal.

Education, Health and Care Plan online Hub

The EHC Hub is a software enables all professionals, parents, and carers to submit their updates, assessments, and advice onto a secure system, using their own user ID and password. The system has automated reminders for when annual reviews are due, which sections of a plan are yet to be updated and provides notifications to users appropriate to their role and the request for information that is being made.

Join a training session through Microsoft Teams to learn how to complete the annual review on the Hub.

[Thursday 14th January 10-11.30am](#)

[Friday 29th January 10-11.30am](#)

Please note that until you receive a letter from the Local Authority confirming that your child's plan has transferred onto the hub, annual reviews should proceed through current processes and paperwork.

The screenshot shows the login page for the Education, Health and Care Hub. At the top, there is the North East Lincolnshire Council logo and the text 'NORTH EAST LINCOLNSHIRE COUNCIL www.nelincs.gov.uk'. Below this, the title 'Education, Health and Care Hub' is displayed. There are two input fields: 'Email' and 'Password'. Below the password field is a 'Log in' button. At the bottom left, there is a 'Reset password' link. At the bottom center, there is a link that says 'Request a needs assessment' with an information icon.

Faith's story – Working towards independence

This is Faith, who has a profound loss of vision and uses Braille, tactile resources and a long cane to enable her to move around and work independently alongside her peers. All these skills were supported throughout lockdown by her Specialist TA Miss Maeers and the specialist trained staff who form the Vision team.

In the picture Faith is using her electronic BrailleNote Touch (BNT) to work independently alongside her peers producing her work in Braille. Her work is downloaded on to the BNT for her to listen to or read with her fingers. She then produces her work in Braille and this appears in print on both the small screen on the worktop beside her and on the tablet below the Braille keys.

This way the teacher can read in print what Faith is Brailleing 'live' in class while Miss Maeers is preparing work for lessons later in the week. Faith has worked really hard to learn all the 'Additional VI Curriculum' skills she has and new skills will continue to be taught so that she can grow to become an independent young woman.
