Care, Collaboration, Challenge

Thursday 28<sup>th</sup> September

Dear Parents,

We are the School Council and we are writing to ask for your help. As you know during autumn term we like to do something to help our local community for the Harvest Festival. This year we have chosen to donate to Harbour Place - a Grimsby charity which gives people without a home a place to stay, rest and eat.

We would appreciate it if your child could bring a small contribution of food and this year we are also asking for toiletries that we can donate to Harbour Place. These contributions can include tins or packets (like cereals, pasta, rice, snacks) or essential toiletries (like soap, shampoo, toothpaste, shower gel).

Please could all donations be brought to school by Thursday 5<sup>th</sup> October?

Yours sincerely,

Toby and Ada, on behalf of the School Council
