Dear Parent/Carer

Flu Vaccination – Online Consent Form

During October - December the School Nursing Service will be offering your child the influenza vaccination in school. Please be reassured that the staff will always be wearing the appropriate personal protective equipment (face masks and shields).

The flu vaccine is given as a simple spray up the nose. It is painless and very quick, and side effects are uncommon. This vaccination programme is designed to protect your child against flu which can be an unpleasant illness and can sometimes cause serious complications.

To consent to your child receiving the vaccination please complete the online consent form by clicking on the link below:

Your School URN code is 117925 (you will need this to complete the consent form)

Yours sincerely
