Dear Parent

**Coronavirus**

As I'm sure you are aware we have had a number of confirmed Coronavirus cases within Year 5 and 6. We have been in touch with the Public Health team and are following their guidance. The children have been put back into a bubble and are having separate play and lunchtimes. Additional cleaning is also being done in the classrooms.

As your child has been in contact with a confirmed case of Coronavirus, Public Health recommend that they have a PCR test. Your child does not need to self-isolate whilst awaiting results, unless they have symptoms. They also recommend that the Year 5/6 children take regular lateral flow tests.

We will continue to monitor the situation. Please be reassured that for most people, Coronavirus will be a mild illness. Hopefully, the children will be able to move out of their bubble once the situation has stabilised.

Yours faithfully

A. Willett
