27th January 2020

Dear Parents

As part of our work in school during National Science Week Year 5 will be attending The Big Bang Science Fair at The NEC, Birmingham on Friday 13<sup>th</sup> March.

The Big Bang UK Young Scientists & Engineers Fair is the largest celebration of science, technology, engineering and maths (STEM) for young people in the UK. The exhibition includes a large range of workshops, theatre shows and careers information.

Please ensure your child comes to school wearing full school uniform and sensible shoes and coats. Children should also bring a nut free packed lunch. We will be leaving school at 9am and will be due to return at 4:45pm, therefore please make any necessary arrangements for your child to be picked up from school at the later time of 4:45pm.

We would be grateful for a contribution towards the coach hire of £7.14. Your consent and payment can be made online.

Mrs Riches  
Science Coordinator
