Dear Parent/Guardian,

Government Funded Free Milk – Children under 5 years of age

Free milk is available for all children under the age of five in school, funded by the UK government.

From Tuesday 1st March free milk will be provided to all of the children in Reception who are under the age of 5.

We will register your child for their free school milk on your behalf by providing Cool Milk with your child's name and date of birth.

When your child turns five, you are able to pay a subsidised rate for your child to continue to receive milk. It will no longer be free.

If you wish for your child to continue receiving milk from the age of five, simply register with Cool Milk directly via their website (www.coolmilk.com). (Please do not contact the School). Cool Milk will then contact you at the appropriate time to arrange pre-payment.

All information handled by Cool Milk is processed in accordance with current Data Protection Legislation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

Please contact the School if your child has a dairy intolerance and would prefer for the School not to register your child for free school milk no later than Friday 11th February.

Yours sincerely
