Who is
queen now?

What
is life like in
England and the
UK now?

Back

Next

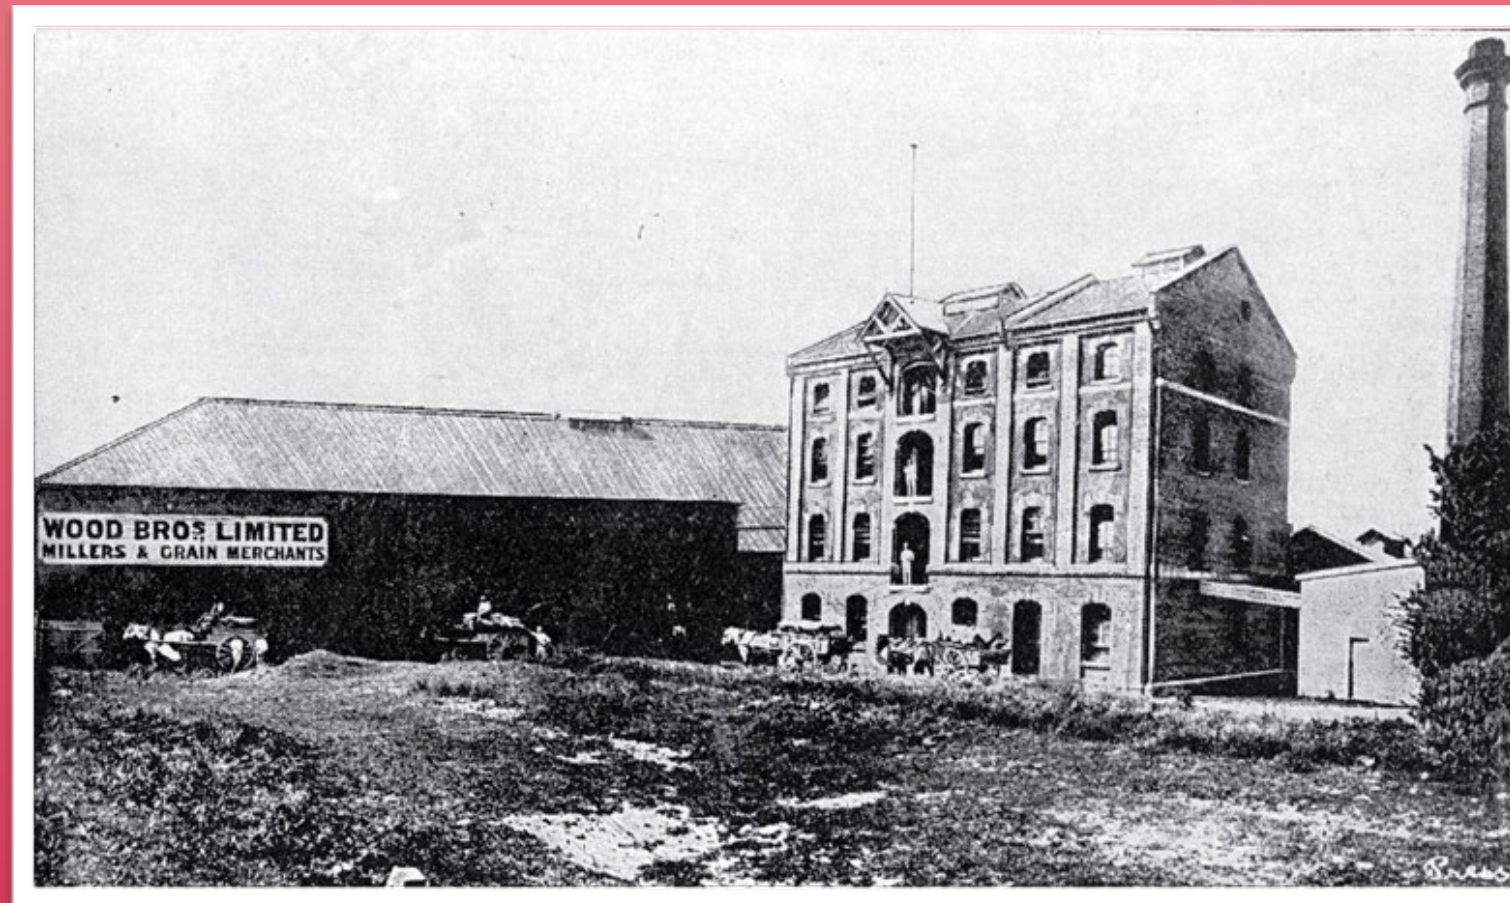

Tudor period

Towns were dirty
and many people
were poor.

Victorian period

Towns received
pumped water
and electricity.

Present day

Towns are clean
and have many
shops and
services.

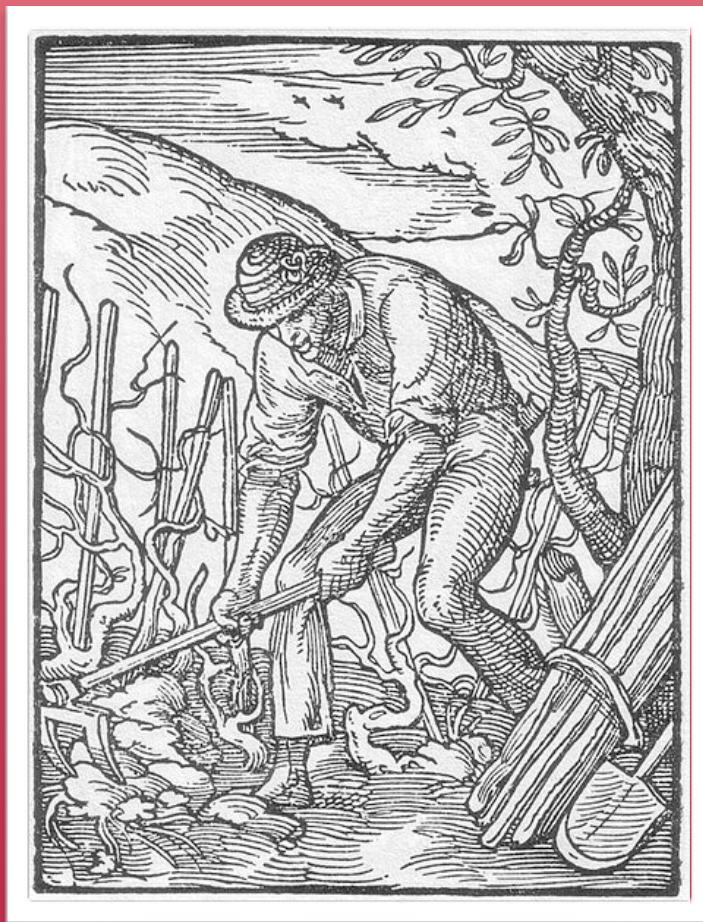

Back

Next

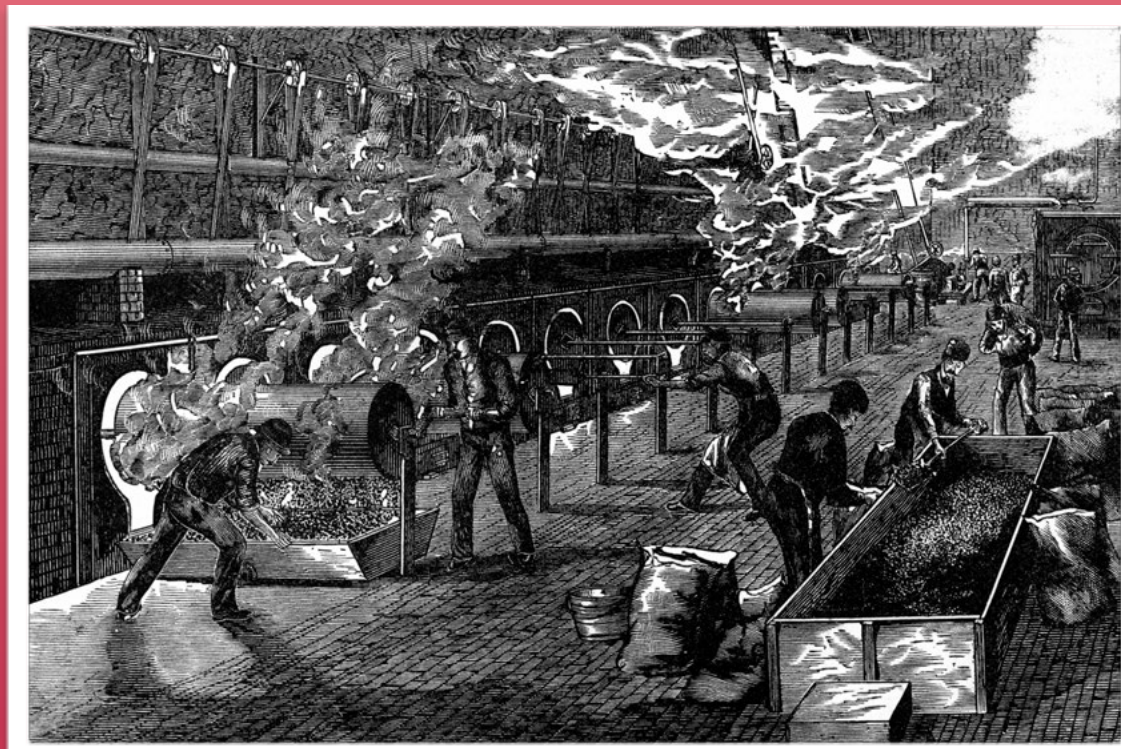

Tudor period

Many people
were farmers or
had no jobs at
all.

Victorian period

More factories
were built so
people could
work.

Present day

There are more
job options.
Most people
have a job.

Back

Next

Tudor period

Victorian period

Present day

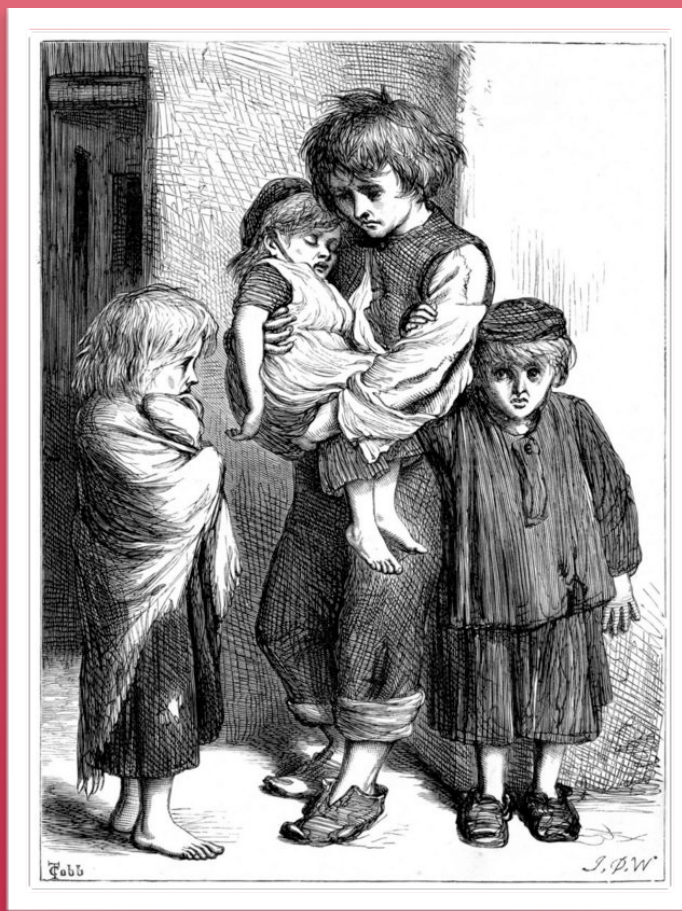

Only wealthy boys
could go to
school. Most
children worked.

A law was passed
which allowed all
children to go to
school.

All children have
to go to school. It
is the law.

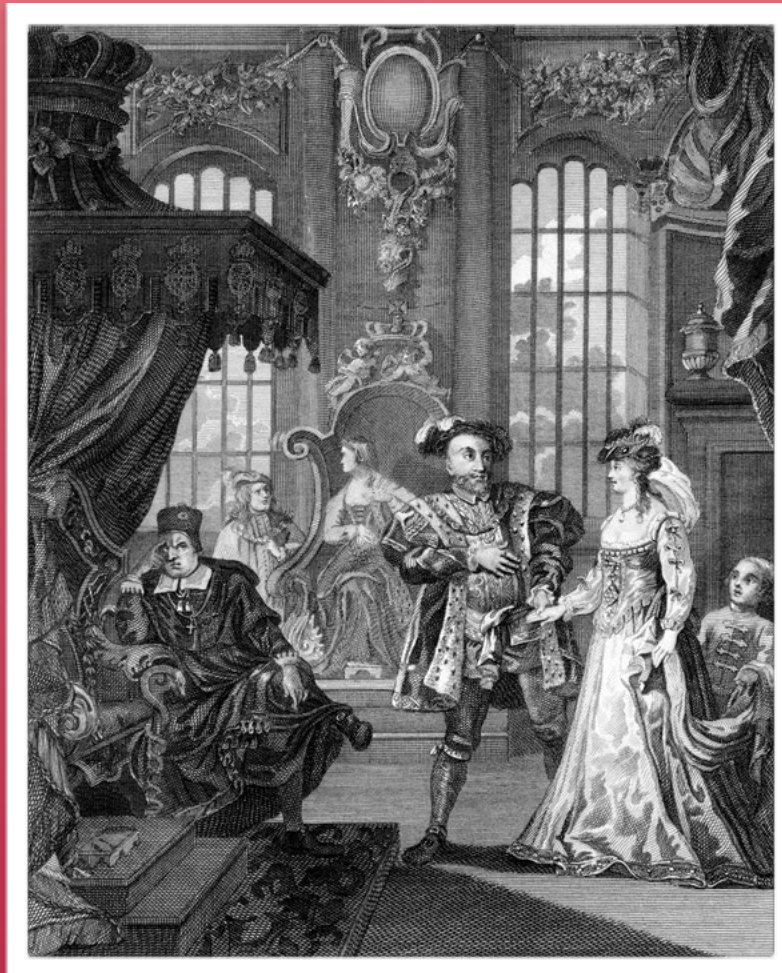

Back

Next

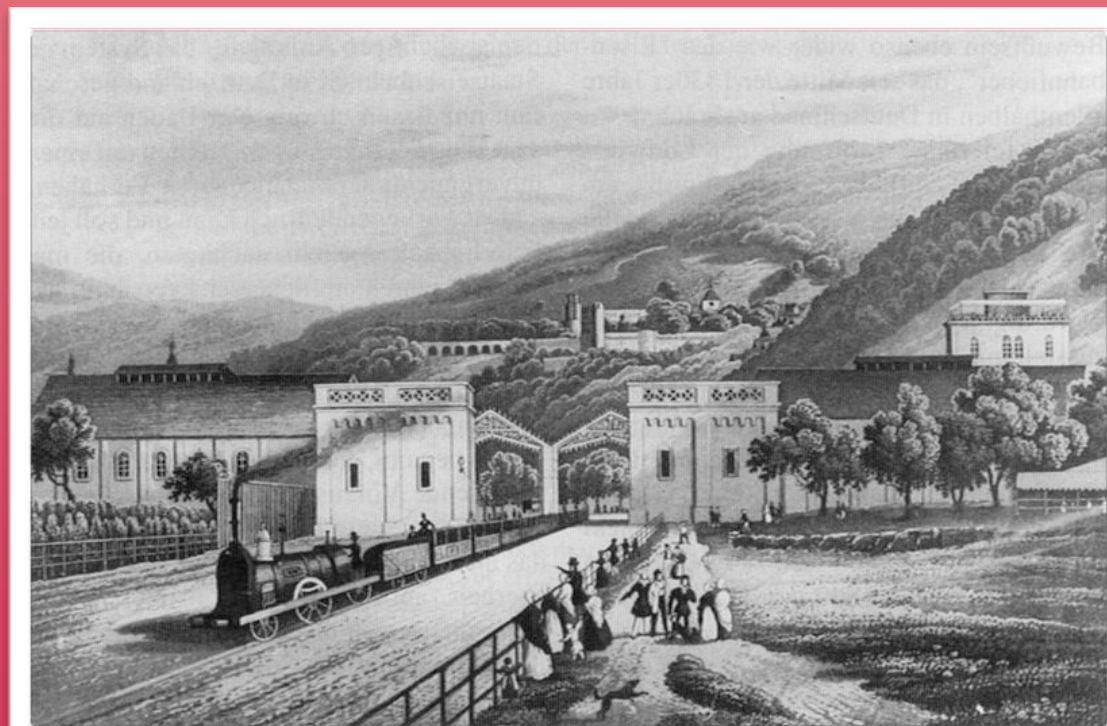

Tudor period

Rich Tudors wore expensive clothes. Poor Tudors wore rags.

Victorian period

Trains were used more and most people could travel to other towns.

Present day

There are now more shops and travel options.

Back

Next

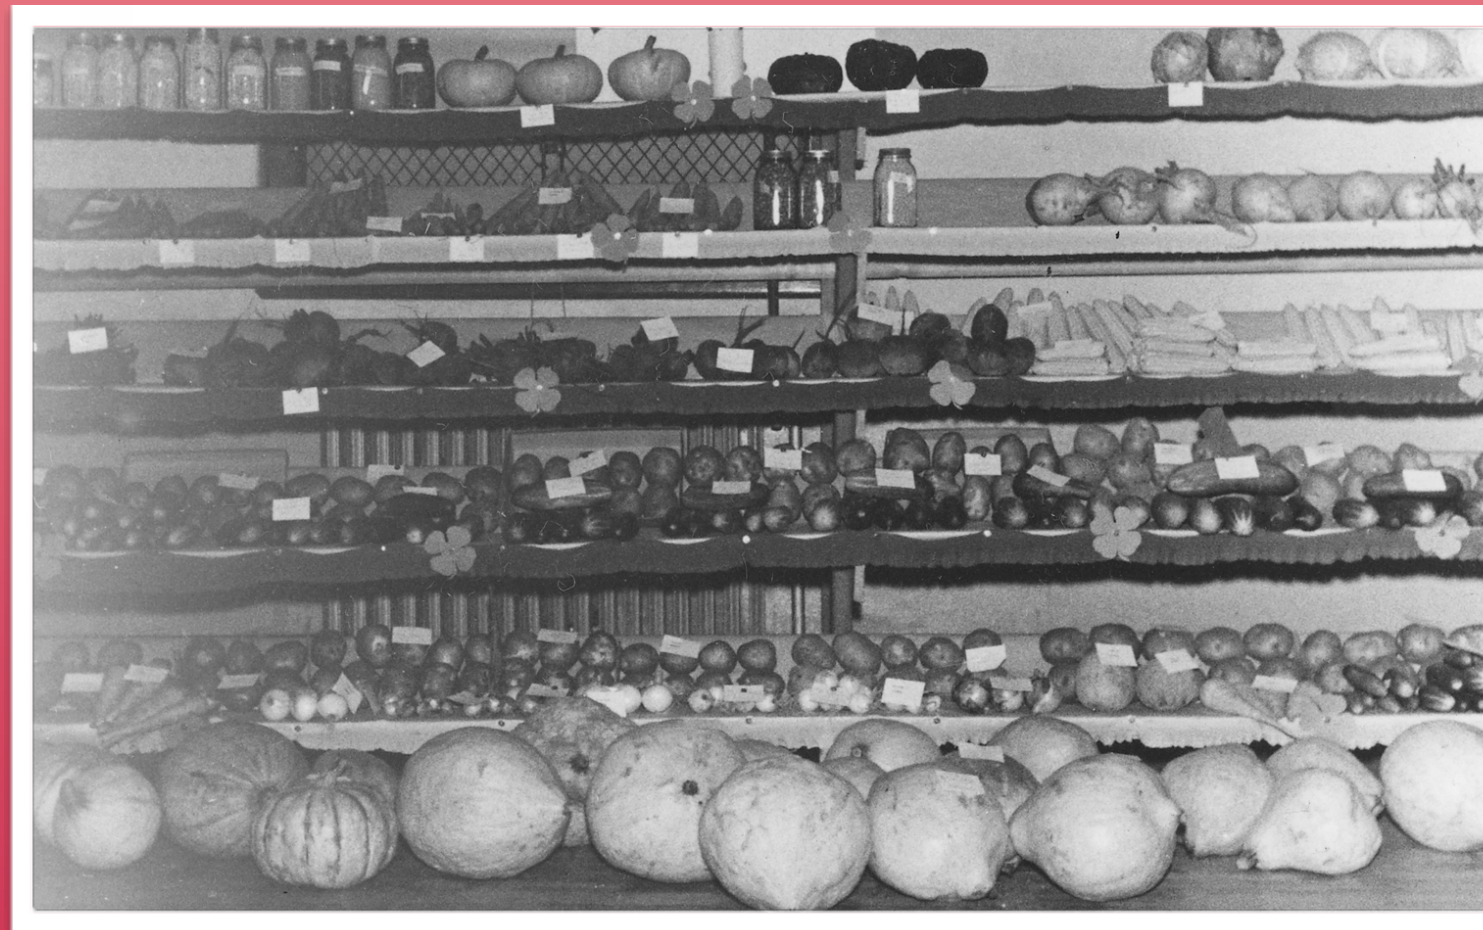

Tudor period

Tudor people had to farm their own food and trade it.

Victorian period

Food had to be eaten quickly so it didn't go bad.

Present day

We have fridge and freezers to keep food for longer.

Tudor period

Tudor houses were made of wooden frames joined with clay or mud.

Victorian period

More materials were invented and houses were made stronger.

Present day

Houses are built with many different types of materials.

What has
changed over time?
What has stayed the
same?
