Dear Parents,

We are currently updating our school website with links to home learning packs and a home learning project for each year group to follow. Once this is uploaded you will find it on the home page under the title 'Home Learning.' This is an easy to use resource, which will enable our children to continue learning from home use age appropriate resources and materials.

Furthermore, please find below a selection of websites, that you can now access if you require work for your child to complete at home.

Twinkl: This website offers a selection of free resources, which are organised into different year groups. This includes both printable worksheets and activities, as well as interactive learning links for each year group. It is currently free to use sign up with an email address- type in the code: UKTWINKLHELPS
