Dear Parents/Carers,

Homework – A Few Reminders

As part of our teaching and learning monitoring schedule, we regularly look at homework provision across the school. This is to ensure that our homework is supporting the learning that is taking place in school. As a result of our most recent monitoring, we ask parents to support us with the following:

- Reading, including:
 - Hearing our younger children read on a daily basis and signing their reading diary
 - Monitoring the reading of our older children and ensure they are recording their own reading in their reading diaries
- Making sure that recorded work in homework books is written in pencil (pen for our oldest children) and is neatly presented. Work should be legible and children should take as much pride in their homework as the work in their exercise books
- Making sure that your child/ren bring their completed homework into school on the correct day
- Encouraging your child to access the following programmes which the school buys in to: MyOn, Reading Eggs and Mathletics
- Checking Seesaw - Staff are still putting work, announcements and reminders on Seesaw, so make sure you are regularly accessing this as well

As children move through the school and on to secondary education, homework remains an important part of learning. By insisting on good habits now, we are preparing our children for the future and providing them with the opportunities they need to be lifelong learners.

Thank you for supporting your child/ren with their homework.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Mrs. M. Elliott". The signature is written in a cursive style with a large initial "M" and "E".

Mrs. M. Elliott

Head Teacher
