Dear Parents of Year 3 children,

We have just been informed by a Year 3 parents that their child has received a positive Covid-19 test result. The last contact between the class and this child was Thursday 10th September. PHE have been informed.

For this reason, your child's self-isolation period will have to increase by 1 day. **This means that your child should not return to school until Friday 25th September.**

I am aware that there are major problems with the testing system. If you do get your child tested, please inform school immediately of the results of such test so that we can continue to inform others in our school community.

Yours sincerely,

Mrs M. Elliott (B.Ed Hons) (NPQH)

Head Teacher
